- Featured on syndicated Free Beer and Hot Wings’ “Music Friday” and Indie104’s “Band Talk”

Willamena’s last album “Lost in the Shadows” put the band on the radio map:

- “Falling Through the Sky (Radio Mix)” peaked at #115 FMQB Triple A Singles, and appeared on the Mediabase Hot AC and Active Rock charts.
- “The Things That I Forgot” reached #174 FMQB A3, #90 Mediabase T40 Activators.
- Songs from “Lost...” and/or the album itself charted nationally in six radio formats: Triple A, Top-40, Hot AC, Active Rock, College, and Americana.
- All 10 “Lost...” tracks aired across 180+ terrestrial stations in at least six countries.
- Affiliates of nationally- and internationally-syndicated programs such as Undercurrents, Connections with Nic Harcourt, World Wide Wavez, The Colorado Wave, Free Beer & Hot Wings, and others pushed the total station count for “Lost in the Shadows” up over 300. Several AllAccess.com AAA “Cool New Music” lists, etc.
